

BEHIND THE WALLS IN VERMONT

AREA 70 CORRECTIONS COMMITTEE NEWSLETTER
August 16, 2009

More Payday

“This is just an observation from a veteran corrections volunteer from the outside. The guys on the inside seem to be getting this A.A. stuff. They are running their own meeting, and are taking responsibility for how well the meeting is. We’ve been explaining that they are an A.A. group, and all the ramifications and responsibilities that entails. And they are doing their job of carrying the message to each other when we are not there to help. How wonderful it is to see such growth.” An Old Volunteer

“I just want to say “Thank You” to the guys that bring meetings into our jail. Sometimes we don’t get a chance to see anyone on the outside for days at a time, and the boredom and monotony can be overwhelming. I look forward to the nights when the outside A.A.s come into the jail. If you stopped coming, I’d go nuts. I’ve been to meetings where people talked about gratitude, but you have my gratitude for saving my life while I’m still inside this jail.” Grateful

Do you have an A.A correction story to share with us? About getting sober behind the walls, going into jails, writing a fellow member, meeting someone coming out of jail, pushing a Jailbox or Jailcan. Please write and share your correction experiences with us.
