

CORRECTIONS COMMITTEE REPORT

Area Committee Meeting, December 14, 2008

Our Committee met at the FAA today to discuss the Spring 2009 Corrections Committee Workshop to be held in Northern Vermont. Districts 1, 2 3, 4, and 11 have been asked to host and participate.

On November 23rd, the Corrections Chair made a presentation "The Correction Connection" at the District 7 Twelve Step Workshop. We used our workshop format for the presentation. Thanks for the invitation.

The presentation at the Vermont Correctional Facilities Volunteer Coordinators December meeting has been postponed to January 14th. The new Prerelease Contact and Corrections Correspondence Card will be one of the items discussed.

There will be a transition & relocation of female inmates from Southeastern State Correctional Facility in Windsor to Northwest State in St. Albans in January 2009. Our committee is cooperating with District 1, the current volunteers from Windsor, and the VT Dep't. of Corrections to insure the A.A.s behind the walls continue to have a women's meeting in St. Albans. Female volunteers are needed to carry the message there.

The November and December "Behind The Walls In Vermont" newsletter and other approved corrections info will be posted on our website within the next week.

A full report of this info is in the November '08 newsletter "Behind The Walls In Vermont."

Ten copies of the December issue of our newsletter are here for each district. We also ask the DCMs to take & distribute the Prerelease Contact Program and Correspondence Service forms to groups in their districts.

In Love and Service,
